#### Condition 8503 - No Further Stay

Following an assessment of your application, a visa officer may decide to apply the 8503 condition on your visa. The 8503 (or No Further Stay) condition means: *That the holder of the visa on which the condition has been imposed will not, after entering Australia, be entitled to be granted any other visa\*, while the holder remains in Australia.*

The effect of this visa condition is that it will not be possible for you to apply to remain in Australia beyond the authorised period of stay shown on your visa label. It is particularly important, if your visit to Australia is to attend a specific event, that you organise your travel so that you can attend these events within your authorised period of stay as you will not be able to extend your period of stay in Australia.

**If the 8503 condition is imposed on your visa, it will be indicated on the visa label with the words 8503 - NO FURTHER STAY**

#### DECLARATION

- I have truthfully declared all relevant details requested of me in the above document and understand that false or misleading information may lead to the refusal of my application, the cancellation of my visa or penalties while in Australia.
- I understand that the effect of the 8503 visa condition is that it will not be possible for me to apply to remain in Australia beyond the authorised date on my visa label. I agree to having this condition included on any visa issued to me as a result of this application.
- I acknowledge that I understand that if the 8503 visa condition is imposed on my visa, it will be indicated on the visa label by the condition code "8503" and by the short description "No Further Stay". I acknowledge that this means that the 8503 condition has been imposed on my visa, that I am required to depart Australia on or before the date or time period notified on my visa label.
