

CONSENT TO JUVENILE ENTRY

"I.....
consent to my child.....
being issued with a visa to travel to Australia. I understand
that such permission may have the effect of enabling the child to
travel to Australia without further permission on my part.

To the best of my knowledge and belief :-

- (i) none other than myself and.....
have rights of custody, care, control, access or otherwise in
respect of the child.
- (ii) the child is not subject to an Order of any Court forbidding
the removal of the child from the United Kingdom without the
Court's approval."

Both parents should sign when child is travelling unaccompanied by
his/her parents.
